# (A-2) Developing Agricultural District

## **(A-2) Developing Agricultural District**

### **Section 302**

#### **302.1 - Intent and Purpose**

The Developing Agriculture District is composed primarily of general farming areas where some development of single-family residential is occurring. The regulations for this district are designed to encourage a compatible relationship between agricultural and residential subdivision in the district. The regulations are intended to allow low-medium rural residential densities, compatible agricultural activities and recreational developments without encouraging commercial development or multi-family development. The permitted uses are intended to provide a range of use possibilities in keeping with the district definition and the existing and potential land uses of the area.

#### **302.2 - Permitted Uses**

- (a) Agricultural uses
- (b) Single family residences including singlewide mobile homes
- (c) Accessory uses
- (d) Public uses and unmanned utility substations, and utility facilities necessary for the provision of public service
- (e) Places of worship
- (f) Home occupations
- (g) Privately operated airport facilities on a minimum lot of 20 acres
- (h) Communication towers (Site plan and approval required by Board of Zoning Appeals).
- (i) Fisheries and related activities and services
- (j) Forestry activities and related services
- (k) Outdoor advertising (no portion of the sign shall be more than fifty (50) feet in height, the face of the sign shall not be larger than 672 square feet as measured on one side. The sign shall not have any more than two sides. No digital, movement, flashing, rotating or rolling or video messages/advertisements are permitted. No variance shall be permitted).

**Section 2:** Said billboards shall be located within two hundred (200) linear feet of either side of an interstate highway right of way.

#### **302.3 - Area Regulations**

- (a) Minimum Lot Area: **One-half (1/2) acre**
- (b) Minimum Frontage: **50 feet** (measured at the front property line)
- (c) Minimum Lot Width: **100 feet**

#### **Setbacks for Primary Structures:**

**Corner lots or lots fronting a curve** – Any lot which fronts two or more public or private roads or any lot that fronts on a curved road is considered a corner lot. Corner lots shall have the setback requirement of thirty (30) feet from all property lines that front on any public or private road, excluding platted easements. A corner lot is any lot that fronts a public or private road on two or more sides or a lot that abuts a street which is on a curve.

**Front** 30 ft. (from road right-of way line, front property line.)

**Side** 10 ft. **Rear** 10 ft.

#### **Setbacks for Accessory Structures not located on a corner lot:**

**Front** - 30 ft. **Side** - 5 ft. **Rear** - 5 ft.

**Maximum Building Height for residential: 35 ft (Unless sprinkled)**

**Other structures: 48 ft.** excluding silos, barns, windmills, communication towers, utility facilities and church steeples.

Density maximum of two residential units per acre.

## Top 25 Frequently Ask Questions

### 1. When do I need a residential building permit?

**2018 IRC Section R105.1 Required.** Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any gas, mechanical or plumbing systems, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the *building official* and obtain the required *permit*.

### 2. Do I need a set of plans?

Yes, if structure is over 2500 sq. ft.

### 3. Do I need a building permit for a mobile home, manufactured home or modular home?

Yes, refer to “When do I need a residential building permit” question number 1.

### 4. Why do I need a building permit?

In a word *Safety* – your safety, and that of your family, visitors, guest and future property owners

### 5. Where do I apply for a building permit?

Apply in person, at the Department of Building and Codes, 308 North 3<sup>rd</sup> Street Kingston, TN. 37763 during the regular office hours between 8:30 am and 4:00 pm Monday-Friday.

### 6. How long does the permitting process take?

Depending on the permit being pulled and high office volume permits can take between 20 minutes or 2 hours to complete. For a speedy process please try to have all applications complete, accurate, and code-compliant upon arrival.

### 7. What is my property zoned?

To determine your zone, we will need the physical address and/or map, group and parcel for the property in question.

### 8. What types of payments are accepted?

Check, cash or money order. Sorry, we do not accept debit or credit at this time.

### 9. What time will my inspection be?

Your inspection will be set up the day after it’s called in.

### 10. What time should I call to request an inspection?

Regular office hours are between 8:30 am and 4:00 pm Monday-Friday.

### 11. When can I speak with an inspector?

Between 8:30 am and 9:00 am Monday-Friday being best time, or leave a message and someone will return your call.

## 12. Do I need a permit for Agricultural Structures?

**Yes**, but if you meet the following guidelines your fees and inspections are exempt.

*Buildings that are exempt from permitting fees and building codes:*

1. *Located on a single parcel of property of more than 15 acres with Tennessee Sales and Use Tax exemption certificate;*
  - a. *If less than 15 acres:*
    - i. *Shall provide Tennessee Sales and Use Tax exemption certificate*
    - ii. *And proof of what farm product is being commercially produced*
2. *Is used in the commercial production of farm products and/or nursery stock;*
3. *And, more than 50% of the floor space is used in the commercial production of farm products and/or nursery stock;*

## 13. What is the penalty for failing to obtain the proper permit?

Where construction of any work for which a permit is required or commenced before a permit is issued; the permit fees shall be *doubled*.

## 14. How long is a building permit valid?

**R105.5 Expiration.** Every *permit* issued shall become invalid unless the work authorized by such permit is commenced within **180 days** after its issuance, or if the work authorized by such *permit* is suspended or abandoned for a period of 180 days after the time is commenced. The *building official* is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.

## 15. Am I required to obtain a permit to build a fence?

Yes, if over seven feet (7) tall in height.

## 16. Am I required to obtain a permit for a swimming pool?

Yes, all swimming pools, hot tubs and spas that contain over twenty-four inches (24) of water is required to obtain a building permit.

## 17. Do I need a permit for a storage building?

Yes – if that storage building is over two hundred (200) sq. ft. A permit is required even if you purchase the building from a lot and the structure is not on a permanent foundation. All accessory structures require a site plan showing all detached structures on the property, the location of septic tank and lines, utility lines, house and property lines.

It is recommended that you consult your subdivision covenants or deed restrictions, which may address the location and exterior finish of detached structures allowed within your particular subdivision. Roane County does not enforce subdivision covenants.

## 18. How do I know if I'm dealing with a reputable contractor?

- Number one – are they licensed? Tennessee law requires that a general contractor or home improvement contractor be licensed if value of project is over \$25,000. Ask to see proof!
- Do they have insurance? In most cases, State law requires that they carry workers compensation insurance. Ask to see a Certificate of Insurance.
- Ask to see some identification. Be sure you know the correct name of the individual you are dealing with his/her address, and telephone number(s).
- Ask for at least two references – and check them out!

- Make sure all agreements are in writing! Be sure to reduce all change orders, or contract amendments to writing.
- Make absolutely sure they obtain the required permits and they can call for and pass the required codes inspections! Make sure the building permit is conspicuously posted before the work begins, and be sure you are furnished with a Certificate of Occupancy and or a Certificate of Completion issued by the Codes Department, before making final payment of the contract amount.

**19. Where can I buy a code book?**

First, determine “which” code book or books. Be sure to note the correct “edition” that applies to your building project. Roane County is under the **2018 IRC and IBC**. You can purchase a code book directly from ICC [www.iccsafe.org](http://www.iccsafe.org). Copies of the currently adopted codes can be viewed (free of charge) at the office of Building Codes or some of your local book stores.

**20. Where can I get an electrical permit? See page 21.**

Check with your local providers.

**21. How Can I apply for a septic permit?**

This is a State of Tennessee Service. Applications **only** provided online at <https://tdec.tn.gov/septic> for further assistance, please call the Knoxville Field Office at 865-594-6035.

Statewide: 1-888-891-8332 or visit: <http://tn.gov/environment>.

**22. How do I obtain septic records?**

Most Septic Records are available online at <https://tedec.tn.gov/filesearch> or by request at: [septicssystem.files@tn.gov](mailto:septicssystem.files@tn.gov).

**23. Do I need a driveway permit?**

Yes, call Roane County Highway Department, 3070 Roane State Hwy Harriman TN. Office: 865-882-9782.

**24. Do I need a burn permit?**

Possibly, contact the Tennessee Department of Forestry Roane County Division at 865-354-1054 or go to [www.burnsaftn.org](http://www.burnsaftn.org).

**25. How do I get an E-911 address?**

Contact the E-911 office located at 330 Cardiff Valley Road, Rockwood, TN 37854. Office: 865-354-0704

## Building a New Home (Residential) Packet

*Included in this packet you will find all the information needed to build your new home. Please contact us at any time with any concerns or questions you may have.*

Your new home requires permits and inspections in order to ensure that it is safe for your enjoyment. We encourage you to visit us online at [www.roanecountytn.gov](http://www.roanecountytn.gov).

Note: Roane County requires you to have a Septic Permit which will include your obtaining an **E-911 address** and a **driveway permit** before applying for a Building Permit.

### Permits Required

Your new home will require a variety of permits to ensure that it is safe and up to code, including a Septic Permit or Sewer Hookup, Building Permit, Plumbing Permit, and a Mechanical Permit. Please gather the construction documentation specified below and submit an **owner/contractor affidavit** and a **building permit application** (Please note that contractors must be licensed by the State of Tennessee). For an **electrical permit** check with your utility provider (list provided on page 21). You will need to contact the **Tennessee Department of Conservation** for septic (see page 12).

## **Permit Process**

Many factors affect the speed with which your application(s) are approved. For best results, it is critical that you carefully review your application and design documents prior to submission to ensure that all necessary documents are included and that the design is compliant with county code. Normally, permits can be issued within 1 business day if the applications are complete, accurate, and code-compliant.

## **Construction Document Requirements**

Submitted documents must contain sufficient information for the plan reviewer to be able to review the proposed construction.

### **Site Plan:**

- Location of property lines.
- Location of all structures. (existing and new)
- Show distant from property lines of all new structures.
- Location of septic tank, field lines or sewer system.
- Location of all utilities lines.
- Location of driveway.
- Size of property (sq. ft. or acres) and size of new structure.

### **Residential homes over 2,500 sq. ft. requires 1 set of plans**

- Foundation
- Floor plan for each level with all rooms labeled with the proposed use and structural details
- Elevations (front, rear and sides)

### **Other required Documentation:**

- A current IECC Compliance Sheet must be submitted with permit application
- Homeowner's Affirmation (only if you own the property, will be the general contractor, and will reside in the dwelling)
- Contractor's License Number, Insurance & Workers Comp. (for construction/placement of new dwelling by a licensed contractor)

## Inspections

Your new home will require a series of inspections throughout the building process. At a minimum, your project will require the following:

### **Building Inspection**

- Footing
- Foundation/Slab
- Framing/Plumbing
- Insulation/Mechanical
- Final

### **Plumbing Inspections**

- In Slab (prior to pouring concrete)
- Rough-in
- Final

### **Electrical Inspections**

- Sorry, **Electrical** services are not provided by our office. Please contact your local utility provider (list provided on page 21).

## Scheduling an Inspection

For scheduling please call our office: Roane County Building Codes at 865-717-4230 between the hours of 8:30-am and 4:00-pm for next day inspections.

## Fees

Fees are based on the total cost of finished construction.

***Sorry, we are unable to accept credit/debit at this time.  
ONLY, Checks, Cash or Money Orders are accepted.***

# Step 1

## 911 Address

E-911 address can be obtained by calling (865)-354-0704  
(If Applicable)

# Step 2
